## AsSec Easy Count Cash Counter

Count your Daily Takings in Less than a Minute!

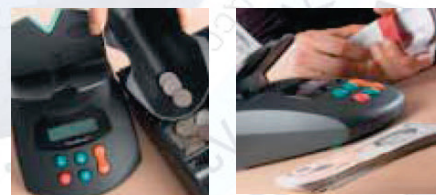

The quickest, easiest and most accurate way to count your daily cash takings. How long is it taking you to count, recount and verify your cash takings by hand at the end of the working day? Are you still manually preparing your bank deposit and next day's float? A till count has never been simpler and takes less than a minute to complete.

Pre-programmed to count both your coins and notes in sequence and with a running total on screen, the AsSec CountEasy™ is your calculator. Light weight, portable and both mains and battery operated the AsSec CountEasy™ can be used anywhere at any time.

Three simple examples will show you how the AsSec CountEasy™ can automate and speed up these processes, giving you the freedom to start enjoying your hard earned takings.
