AsSec Europa Safes

The Europa range of safes have been designed to meet the stringent requirements of European safe testing as outlined in LPS 1183 Issue 4. Tested and certified by the LPCB and manufactured under the control of ISO 9001 2000, using the latest technology and production techniques. Grades 0 & 1 come in 7 sizes and Grades 2 & 3 come in 6 sizes, with internal optional fittings including removable shelves (height adjustable as required) and full-width lockable drawer units (sizes 1-2 single drawer, size 3-7 double drawer).
