AsSec 1110 POS Counter Safe

The AsSec 1110 advanced point of sale (pos) counter safe is a robust drop safe containing a lightweight cassette to store bank notes or cheques.

- * Fully welded from heavy steel.
- * Inner reinforced fabric pouch is convenient and lightweight, with a carry handle, allowing easy portability to the back office for counting.
- * Spare pouches make shift changes faster and more convenient. Inner pouch also has a labelling facility so that contents may be easily reconciled against z/x read.
- * Opens with conventional Assa Abloy security keys.
- * Simple to use whilst being strong and secure.
- * Comes complete with a heavy duty mounting kit.
- * Can be top or bottom fixed, depending on store setup.
